Accommodations

Board This beautiful yacht from her large integrated swim platform and step through the transom door into the large 100 sq. ft. cockpit. Enter the spacious saloon through a sliding door and find yourself surrounded by a warm and inviting interior that boasts beautiful Cherry woodwork that's bathed in natural light from the large wrap-around windows. There's a plush sofa to starboard and two handsomely upholstered club chairs opposite. A large entertainment center with built-in TV/VCR separates the club chairs. The large U-shaped galley boasts beautiful Corian countertops, an over-sized double sink with a designer Moen faucet and a full-size cherry covered refrigerator & freezer. The dinette and U-shaped settee are in the pilothouse and offer expansive views while dining or while watching the captain maneuver from the pilothouse helm station.

Down below are three impressive staterooms and two heads with separate showers. Both heads are Vacu flush and the showers have custom fixtures. Closets are cedar-lined and storage is plentiful. The master stateroom is athwartships and underneath the pilothouse. The entire room is paneled in maple and there's a second, 20" built-in TV/VCR. A full-size washer and dryer are built-in and completely concealed from sight. A second stateroom is to port and features over/under bunks. Forward in the bow is a centerline berth that sleeps two. All designer bed coverings are coordinated to compliment the boat's tasteful interior.
